STEP 2

MASTER THE PROCESS OF LEARNING SONGS QUICKLY & RIFFING WITH 'LOVIN' LEADSHEETS'

Click images to see more.

A leadsheet is a short-hand version of sheet music, learning to interpret them means a quicker, easier way to learn songs and make a creative piano arrangement of your own!

As an Intermediate pianist you may be well familiar with reading sheet music, this is a much quicker method to learning songs AND will help you develop those riffing skills that even advanced pianists can struggle with.

STEP 3

RELAX AND UNWIND WITH 'PEACEFUL PIANO IMPROVISING AT HOME'

Click images to see more.

Unlock your ability to play freely, creatively and peacefully at home to relieve stress & tension. This is a great short course for Intermediate pianists as it gives you a TON of great patterns to unlock your creativity!

Live-filmed coaching sessions broken up into bitesized lessons, will deliver the technique and skills you need to improvise freely at home in the style of Yiruma, Einaudi, and more.

STEP 4

PARTICIPATE IN THE LIVE COACHING SESSIONS

UNLOCK THE ART OF CREATION WITH 'THE KEYS TO SONGWRITING'

In this course, you'll be guided through the full process of writing a song from scratch! You'll learn the tools industry-leading songwriters use to create 'strong songs', including:

- how to craft iconic lyrics,
- how to create 'chills' in a heartfelt song,
- how to create foot-stomping rhythm,
- catchy hooks, and
- unforgettable melodies with,
- just the right chords to support them.

FLOW THROUGH CHORDS WITH RHYTHM + STYLE WITH 'RIFFING PRO'

Riffing Pro will teach you what a riff is, when you'll need one PLUS the 8 different categories of riffing and how to use them.

Each riff is broken down step by step, with notation, slow play-through & demonstration within real-life context. Then you're challenged to apply the riffs in different ways.

Even technically advanced pianists can find these riffs tricky to master – you'll love this course!

STEP 4

PARTICIPATE IN THE LIVE COACHING SESSIONS
